WHAT: WINDS FORCE FULL CLOSURE OF INTERSTATE 15 IN DEVORE

WHEN: DECEMBER 16, 2004

WHERE: BETWEEN STATE ROUTE-210 AND INTERSTATE 15/ 215 JUNCTION

Caltrans advises motorists that a full road closure of I-15 between SR-210 and I-215 is in effect due to high winds in this area. The road will remain closed until the winds reduce and it is safe to travel through this area.

Commuters may use I-215 as an alternate route. The high winds are limiting visibility on I-215 through North San Bernardino and Devore. High profile vehicles are cautioned to avoid this route completely. Caltrans advises motorists, if possible, to postpone or avoid travel through this area.

Changeable message signs have been activated in the Inland Empire advising motorists of the weather related road closures. Caltrans reminds commuters to stay alert and always SLOW FOR THE CONE ZONE!
